

WOW Weapons!

Yes Hill's does offer training in various weapons! Once you have achieved yellow belt status or above, you are eligible to participate in the Saturday morning weapons classes. The first session is from 10:00 a.m. to 10:40 a.m. The second session is from 10:40 a.m. to 11:20 a.m. Each session is comprised of 2 separate weapons classes conducted simultaneously.

There are no additional charges for these classes. However you will need to purchase the weapon prior to the first class. Pricing depends on the weapon. Please see the posting on the bulletin board by the restroom, Mrs. Alisa, or one of the instructors for pricing on a particular weapon

Sign-up sheets are placed by Mrs. Alisa's desk at the end of the month for the upcoming month's classes. On the sheets you will sign up for the class you want to attend and if you need the weapon for that class. Then Mrs. Alisa will order it to arrive in time for your first class.
